**Wednesday 16th November 2011**

# FREE Construction Occupational Health SHAD

This is one of a series of **free** partnership events run by the industry for the industry, as part of the UK-wide Working Well Together (WWT) campaign.

In recent years we have seen significant improvements in the management of safety within construction but unfortunately, the management of occupational health is not to the same standard. We aim to highlight some of the most important health issues specific to the construction industry and show you how to help prevent them.

If you have a small building, construction or contracting company, or if you are self-employed then this **free** event is a **must**.

**BOOK NOW! As places are limited.**

**For further information call: 029 2026 3033**

There is no charge for the event, however, numbers are restricted to **two** representatives per company.

# Event Programme

- 08.15 - 08.45 REGISTRATION/TEA/COFFEE
